

# Inland Rivers, Ports & Terminals (IRPT) **New** Mobile App

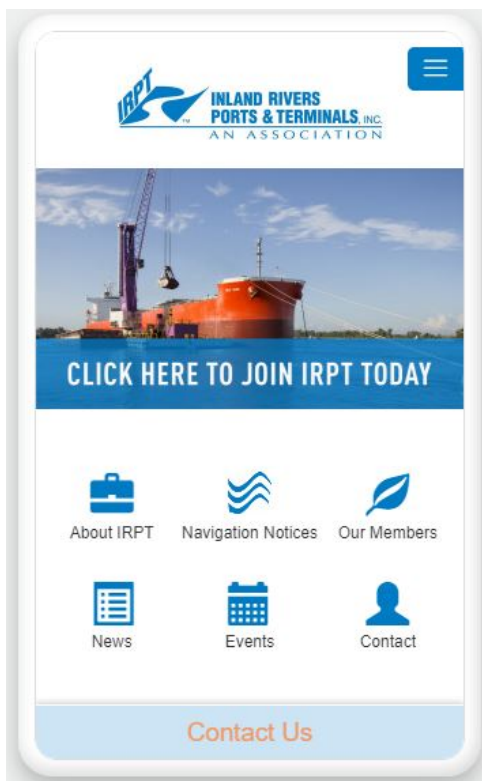

## River Navigation Resources:

IRPT's Mobile App is available that will allow us to push vital information regarding each of the basins to mobile app users.

IRPT will collect navigation notices from the U.S. Coast Guard Sectors, each of the USACE Districts, Regional Waterway Associations and Stakeholders to send navigation notices, scheduled and unscheduled Corps of Engineer's maintenance operations on the locks and dams, as well as any emergency notifications that may arise.

## Instructions for Download and Set-Up

- ❖ On your smartphone, visit the app store and search for "IRPT".
- ❖ Once you find the IRPT symbol, download.

- ❖ You then have the option to open. This will bring you to IRPT's home app.

← Click the menu tab located at the top right-hand corner.

- ❖ You must log in to receive push notifications regarding navigation notices. Once in the settings menu, choose "Log in". You will need to register a new account to do so.
- ❖ Once logged in, back in the settings menu, choose "notifications" and choose which notifications you'd like to receive.
- ❖ IRPT Membership not required.
- ❖ **Other great features on the app include:**
  - ✓ History and information about IRPT
  - ✓ A listing of our members which links the viewer to the website for instant access
  - ✓ IRPT's Member News
  - ✓ Career Opportunity Notifications
  - ✓ Calendar of Events
