

Logistic Services Inc.

MEETING ALL YOUR TRANSPORTATION NEEDS

With operations in Little Rock, Arkansas and Columbus, Mississippi

TYPES OF SERVICES

LSI provides a wide variety of services for its customers. Barge loading and unloading services for bulk and break-bulk, custom toll packaging, terminal handling services, trucking, warehousing, and bulk or break-bulk cargo transfer as well as a transportation brokerage operation.

MEETING CUSTOMER NEEDS

LSI is committed to ensuring all of the customer's needs are met. We achieve this by focusing on customer satisfaction. Our emphasis is on strong, open lines of communication with the customer.

Whether it is a one-time barge loading or the development of a long-range partnership for custom services, all customers can count on the same level of commitment and attention to detail.

WE'VE BEEN HERE... WE'LL BE HERE

LSI has operated the Port of Little Rock continuously since 1982 and the Port of Columbus continuously since 1988. Both ports are operated under long-term leases with their respective port authorities.

OUR EMPLOYEES

LSI employees average over 15 years of continuous service. You can count on your company's needs being met by a staff of well trained, knowledgeable people who truly know how to get the job done.

SAFE WORKING ENVIRONMENT

LSI has an incredible safety record. By focusing on careful planning and a true commitment to safety, LSI performs its work with dependability and quality on a daily basis. Come see for yourself.
