

Welcome to the Madison Parish Port Commission

The Madison Parish Port Commission main focus is to fully develop the 266 acre port and industrial site along the Mississippi River to stimulate and encourage economic development in Madison Parish, Louisiana through commerce, industry and tourism and for the utilization and development of natural and human resources of the area and provide job opportunities. The Madison Parish Port has direct access to the Mississippi River approximately six miles north of the Interstate 20 bridge. In this location the Mississippi River has an average depth of 25 feet. A full service dock, with rail spur allows access while providing safe harbor. The typical draft depth at the dock is 20 feet throughout the majority of the year.
