

# WELCOME TO THE NATCHEZ - ADAMS COUNTY PORT

For over 60 years the Natchez Port has provided dependable service to destinations throughout the world. From the Natchez Port cargo can be shipped directly to Europe, Latin America and the Far East via LASH Barge. All destinations along the Mississippi River and the Intracoastal waterways are accessible from Natchez in both high and low water conditions.

We have the manpower and equipment to handle cargo quickly and efficiently. Traffic congestion, a problem at many ports, is usually no problem at our facility and we offer you access to almost every port in the world. So before you ship anything anywhere, contact the Natchez Adams County Port.
